

## Transportation/Aviation Finance Equipment Finance & Leasing

“

This firm has an active group of attorneys capable of handling significant aviation finance work for major carriers such as Continental Airlines. The group has also found a niche in representing a number of small to midsize airlines such as Brazilian startup Azul. Though primarily an airline-oriented practice, attorneys also have experience on the other side of the table acting for banks and leasing companies in various structured finance transactions.

---

*Sources say: “Very good-quality work,  
very knowledgeable.”*

---

Sources regard **John Hoyns** as ‘a widely respected aircraft finance attorney in the USA.’ He is one of the main aviation partners at the firm.

John Hoyns belongs to a ‘very sophisticated and high-end practice,’ with a particular focus on transportation and equipment finance.

—Chambers USA 2011”
