April 22, 2022 – HHR represented Cenvéo, a world leader in the management and distribution of print and related offerings, on the sale of its Custom Labels Group to label company Brook + Whittle.

“This transaction delivers great value to our shareholders and demonstrates the success of our strategic plan,” said CEO of Cenvéo Robert G. Burton, Jr. “Going forward, Cenvéo is in an advantageous position as we look forward to our continued standing as North America’s leading envelope manufacturer.”

HHR has previously represented Cenvéo, most recently in October 2021, for the amendment and extension of a \$175 million senior secured term loan facility and a \$100 million asset-based revolving credit facility.
